The inaugural First Fridays at the Tucson Museum of Art was a spectacular event. With more than 500 attendees, the Tucson Young Professionals have a success on their hands. The electric atmosphere at *First Fridays* continues on January 4th, bringing captivating artists in the realm of fire and ice to the Museum plaza to ring in the first Friday of the New Year. At 9pm, the Tucson Museum of Art galleries will transform into an upscale environment in which Tucson locals can mingle. The lobby will transform in to a unique atmosphere for dancing the night away. With food, drink, music and the arts, this monthly event is quickly becoming a tradition; offering exposure to the Tucson Museum of Art and the downtown vicinity. Raytheon Missile Systems is the diamond sponsor for this event whose own mission to retain local talent is a great fit for the event.

With this bold fusion of art, entertainment and upscale nightlife, Friday nights will never be the same in Tucson!
